

# Eccellio announces new free service focused on the world of Arts

**The Internet community will start to find easily  
everything about the charming world of Art**

**Bellevue, WA - October 26, 2009** - Eccellio™ today announced that a new free service named Eccellio Arts (<http://arts.eccellio.com>) will be launched in Beta early in November. After a short Beta phase Eccellio Arts will be ready for general availability to the Internet community. Eccellio Arts will let you easily find content focused on the world of Arts. Some of the topics covered in Eccellio Arts will be Architecture, Crafts, Design, Digital Art, Performing Arts, Photography, and so on.

Eccellio Arts will join soon the growing Eccellio family. This new service will be side by side with other free Web services that Eccellio previously released: Eccellio Web ([www.eccellio.com](http://www.eccellio.com)) is a general purpose search engine, Eccellio Science ([science.eccellio.com](http://science.eccellio.com)) is focused on scientific matters and Eccellio Movies ([movies.eccellio.com](http://movies.eccellio.com)) is focused on the glamorous world of Cinema.

## About Eccellio

Eccellio is an Internet company founded in 2008 that has its focus on improving end user experience in retrieving information on Internet. Eccellio is a Search Engine that brings a cool new feature, named "Faceted Classification", that easily allows finding exactly what you are looking for. Eccellio uses Google database but it adds an extra level of classification that allows you to refine your search easily. End users don't need to learn a complex syntax to execute searches. So Eccellio can be defined as Google++ or Google simplicity with one additional single-click. For more information:
