

## Eccellio launches new free service for the world of Sports

**The Internet community can (now) start to easily find everything about Sports**

**Bellevue, WA - December 28, 2009** – Eccellio™ today announced that a new free service named Eccellio Sports (<http://sports.eccellio.com>) is now available online. Eccellio Sports is focused on the exciting world of Sports and it will let you easily find content about sports like Baseball, Basketball, Football, Golf, Hockey, Soccer and so on.

*“We are very happy to deliver to the Internet community this brand new Eccellio Sports. We decided to develop Sports because this is what we love and everybody loves sports. Instead wasting time looking for the info on generic search engines, you can now use our powerful filters to easily surf the Web and get the info about your beloved sport. Using Eccellio day-by-day you will save a lot of time and I’m sure you will love our amazing new user interface”,* said Ron Bernas, Chief Executive Officer of Eccellio.

Eccellio Sports is side-by-side with other free Eccellios search engines: Eccellio Web ([www.eccellio.com](http://www.eccellio.com)) is a general purpose search engine, Science ([science.eccellio.com](http://science.eccellio.com)) is focused on scientific matters, Movies ([movies.eccellio.com](http://movies.eccellio.com)) is focused on the glamorous world of cinema and Arts ([arts.eccellio.com](http://arts.eccellio.com)) that is focused on the charming world of Arts.

### **About Eccellio**

Eccellio is an Internet company founded in 2008 that has its focus on improving end user experience in retrieving information on Internet. Eccellio is a Search Engine that brings a cool new feature, named "Faceted Classification", that easily allows finding exactly what you are looking for. Eccellio uses Google database but it adds an extra level of classification that allows you to refine your search easily. End users don't need to learn a complex syntax to execute searches. So Eccellio can be defined as Google++ or Google simplicity with one additional single-click. For more information:
